Committee Updates  
AIR Awards Criteria Committee: Mitch Nesler, committee chair, shared that the committee is comprised of AIR members Timothy Chow, Mike Le, and Dawn Terkla with Leah Ross as Executive Office liaison.  

Board Structure for Accountability and Effectiveness Committee: Heather Kelly provided an overview of plans to gather feedback from the AIR community and plans for bylaws changes to be put forth for a vote in Fall 2022. Maren Hess noted that she and Mary Lelik have relevant notes from a listening session at the recent North Carolina AIR (NCAIR) meeting that may be relevant to the committee.  

Nominations and Elections Committee: Heather Kelly noted that the transition to the committee’s
new leadership will take place on Wednesday at the Forum. A committee “crossover” meeting will take place in July.

**Membership Committee:** Braden Hosch noted that the committee is inactive at present.

**Governance Orientation and Training Committee:** Karen Webber provided an overview of the week’s plans at Forum. Discussion included use of affiliated organization meetings as a way to gather feedback and share information with the IR community.

**Executive Office Updates**

Christine Keller shared Forum plans and information, including safety and security, COVID, and the conference code of conduct.

**Motion to Acknowledge**

Braden Hosch moved to recognize the Executive Director and Executive Office staff for their heroic efforts to bring this conference to fruition. Laura Palucki Blake seconded.

The motion passed.

**Executive Office Focus Group**

Christine Keller facilitated a focus group among the Board about three key questions.

**Thinking about next 2-3 years, what are the top changes or trends within higher education that may affect the work of IR, IE, or data analytic professionals?**

- Enrollment management
- Understanding “capacity” in different contexts, functions, etc.
- The role of just-in-time information
- Collaboration across the institution
- Planning and projections
- Leadership from IR and conversation facilitation
- Communication
- Navigation of politics
- Consulting services offered via AIR
- Senior leadership transitions, especially presidents and provosts
- Staffing/hiring
- Mental health – student, faculty, staff
- Proliferation of external data and variations in quality
- Workload and requisite bandwidth – not sustainable
- Data use oversight including dashboard governance
- Networking among the profession

**What are the top skills and knowledge are needed to be successful?**

- Political savvy
- Extensive and intimate knowledge of the institution (structural, political, and more)
• Ability to integrate context
• Communication
• Professional development for self and staff
• Career progression and planning
• Navigation of machine learning and AI
