In which department/unit is the institutions IPEDS Keyholder employed?

Which best describes your institution?
- There has not been an Office of IR (or similar) at this institution in the last three (3) years
- An Office of IR (or similar) existed in the last three (3) years, but does not currently exist
- Don't know

Is an Office of IR (or similar) currently being developed or re-established?
- Yes
- No
- Don't know

The full survey instrument (more than 100 questions) was delivered to institutions with dedicated Offices of IR. You completed a shorter version for institutions without a dedicated Office of IR, but still qualify to receive the full survey results and other Association for Institutional Research (AIR) materials. Please indicate if you would like to receive any of the following complimentary communications from AIR.
- A summary and results of this survey and the expanded survey of institutions with dedicated Offices of IR
- Other national reports about the field of institutional research
- Information about the upcoming national conference (the AIR Forum)
- Other IR professional development opportunities
- Monthly electronic newsletter (eAIR)
- AIR Professional Files (scholarly publication)
- Books and other publications

AIR maintains an updated list of institutions that have participated in this survey on the project website. If you prefer that your institution not be listed, please indicate that preference here:
- Include your institution from the list of participants.
- Exclude your institution from the list of participants.
